Station Madras, *Dated the* 8th November 19 40.

From (Name) Lieut.-Col.S.C.Contractor, M.B., I.M.S.,
(Designation) Ch.Inspector of Certified Schools,

To The Secretary to the Government of Madras,
Home Department.

Sir,

I request that Government may be pleased to sanction the retention of the following temporary Petty officers in the Junior Certified School, Bellary for a further period of 1 year from the dates noted against each.

4	2nd grade petty officers	from 12-12-1940.
1	-do-	21-11-1940.
1	-do-	16-1-1941.

These temporary posts will be reduced by two on the employment of two Special II grade Petty officers as ordered in

P.T.O.

in G.O.No.Ms.1154, Home Department dated 3-3-1938. The present strength of the school is 429 and hence the necessity for the retention of these temporary posts. The strength of the temporary staff will be reduced according to the instructions issued in G.O.No.Ms.5644 Home Department dated 27-10-1939.

2. The temporary Special II grade Petty officers sanctioned in G.O.No.Ms.4826, Home Department dated 30-11-1937 could not be appointed as no suitable candidate were forthcoming. In June 1940, two candidates were appointed as Special II grade Petty officers, but they worked only for 3 days and resigned their job and went away.

Lieut.-Col., I.M.S.,
Ch. Inspector of Certified Schools.

Home (G) Department.

C. No. 32975-G. From the C.I. of Certified Schools, No. 3062-B2-40, dated 8.11.40.

Children Act - Junior Certified School, Bellary - Temporary posts of petty officers - Continuance.

The C.I. has submitted proposals for the continuance of the six posts of second grade petty officers in the junior certified school, Bellary, the retention of which for a further period of one year was last sanctioned in G.O. No. 6135, Home, dated 27.11.39. The sanction for the posts will expire on varying dates from 20.11.40 to 15.1.41. The sanction was subject to the following conditions:--

(a) Four petty officers: Should be ~~reduced to~~ disbanded if the strength fell below 100.

(b) Two additional petty officers: Should be disbanded if the strength fell below 250.

(c) The total strength of six ordinary grade petty officers should be reduced to four when two special grade petty officers were appointed.

The posts of special grade petty officers do not appear to have been filled up ~~till now~~ so far except for a short period - please see para 2 of the C.I's. letter and pp. 3 and 5 of G.O. No. 6135, Home, dated 27.11.39.

2. The total sanctioned strength of petty officers in the school is as follows:-

	Special grade.	Ordy. grade.
Permanent	2	8
Temporary	2	

The six posts whose retention for a further period is now asked for are included in the ~~above~~ temporary ~~ordinary grade~~ posts shown above. The two

temporary special grade posts are at present filled temporarily by petty officers on ordinary scales of pay, as no suitably qualified candidates are available.

3. The following statement shows the strength of the school ~~at the time~~ when the posts in question were sanctioned and on subsequent dates when their continuance was sanctioned. -

Date.	Strength of the school.	Remarks.
September 1936	232	Four ~~of the six posts in question created~~ posts sanctioned
December 1937	326	Retention of the ~~abase~~ four posts for a further period and employment of two additional posts sanctioned
November 1938	405	Continuance of the six posts sanctioned
November 1939	363	do.
Present strength	429	

It will be seen that the present strength of the school is the highest since 1936. It may also be noted that, besides these six posts, the Govt. ~~have~~ sanctioned in October 1939, two additional posts of second grade petty officers to deal with the increased work in the school. In the circumstances, the need for the continuance of the six posts in question may be accepted.

4. Please see 'A' in the C.I's. letter on p.2, c.f. The instructions in G.O. No. 5644, dated 27.10.39, were that the temporary staff of two additional petty officers sanctioned in that G.O. should be disbanded on the principle of 1 petty officer for every 30 pupils; e.g., if the strength of the school falls below 360 the petty officer staff should

be reduced by one officer and if it falls below 330 by another. It is not quite clear whether it is the C.I's. intention that this principle of reduction in temporary staff should be applied in respect of posts the sanction for the continuance of which is now applied for.

The conditions governing the appointment to these 6 posts are noted in (a) and (b) in para 1 above. The following statement shows in one view the strength of the school on each occasion when additional petty officers were sanctioned and the conditions governing the retention of such posts

Year.	Strength of the school.	Temporary staff sancd.(in addition to 2 permanent posts already existing)	Conditions of sanction.
1929	96	2	
1936	232	4	To be disbanded when the strength goes down to 100
1937	326	2	To be disbanded if the strength falls below 250
1939	394	2	To be disbanded on the principle of 1 petty officer for every 30 pupils; e.g., if it falls below 360, staff to be reduced by 1 petty officer; if it falls below 330 by another.

From the statement it will be seen that the Govt. have allowed

				**
4	officers	up to a strength of	100	25
8 (4+4)	"	"	250	31
10 (4+4+2)	"	"	330	33
11	"	"	330	30
12	"	"	360	30

**The figures under the asterisks show the number of pupils per officer

~~It is therefore seen that,~~ Excepting for the staff of 4 officers, which represents the minimum requirements

for the school up to a strength of 100, the Govt. have allowed the petty officer staff on the principle of one petty officer for every 30 pupils. The conditions laid down at 'a' and 'b' on p.1 ante do not, therefore, differ from that laid down in G.O. No.5644, Home, dated 27.10.39, which in terms is applicable only to the two posts sanctioned in that G.O. The continuance of the six posts in question may, therefore, be sanctioned subject to the same condition as that laid down in G.O. No. 5644, Home, dated 27.10.39.

5 With reference to para 2 of the C.I's. letter, it may be noted that the establishment of special grade petty officers was creatd with a view to employing officers of a class who would be able to inspire confidence and trust in the pupils. It was ordered that appointments to these posts should be made from ~~an~~ among persons who had passed the S.S.L.C. examination and that, if men possessing the requisite qualifications were not available, the posts might be filled temporarily by petty officers on the ordinary scale of pay. ~~As early as~~ In the beginning of 1938, the Govt. sancd. two permanent and two temporary posts of special second grade petty officers to the junior certified school, Bellary. Of these, the two permanent posts have been filled up while the temporary posts do not appear to have been filled up till now except for a short period, the reason given for it being that no suitable candidates are forthcoming or, when they come, they do not stick to the posts for a long time The question ~~therefore arises~~ may be considered whether it is necessary to keep alive the sanction ~~for a~~ any further. ~~time.~~ As, ~~however,~~ the C.I. has not suggested that the sanction may be withdrawn and as the sanction was made with a view to improve the efficiency of the

reformatory system, there seems to be no objection to keep the sanction alive for some more time. For orders.

A draft order sanctioning the continuance of the six posts in question for a further period of one year is subd. for approval. It may be sent to the Fin. dept. for acceptance.

In the draft order below, ~~it has~~ the holders of the temporary posts will draw the minimum of the time scale of pay applicable to them viz Rs 16/- in the scale of Rs 16-2½ and hence ad hoc special rules will have to be issued in this case. (It has been ascertained from the Public dept that "the instructions in this no. vide 14770-1 (Series) dt 5/7/40 do not apply to the issue of ad hoc rules in this case).

With reference to the oral orders of the U.S., the following note is submitted:—

Of the six posts the retention ~~of which~~ for a further period of which has been proposed, four were sanctioned in November 1936 and the remaining two in December 1937. As regards the first four posts, the C.I. recommended that they might be sanctioned on a scale of Rs.16-21½ p.m. and this was agreed to in this dept. The Fin. dept., however, suggested among other things that the posts might be sanctioned on a fixed rate of pay on Rs.16 p.m., and this was finally agreed to by this dept. As regards the remaining two posts, which were sanctioned in December 1937 against four asked for by the C.I., the C.I. recommended that they might be in the scale of Rs.16-21½ p.m. This dept., while agreeing to the need for ~~the~~ two posts, considered it unnecessary to sanction them on a time scale of pay as the C.I. had not given any reasons why the posts should be on a time scale of pay. The posts were, therefore, sanctioned on a fixed pay of Rs.16.

See ¶¶ 6-7 above

The Home Department have since proposed the grant of time-scales of pay to the six temporary petty officers in the Junior Certified School at Bellary. The case has been remitted to this department for remarks on the point referred to in the Home Secretary's marginal note on p.6 ante. It is submitted that the orders in G.O. 2091 Pub(Ser.) dated 1-11-1937 sanctioning the grant of appropriate time-scales to temporary posts [in departments other than Survey, Settlement and Public Works Departments] are only permissive and not obligatory. Of the six temporary posts of petty officers in the Junior Certified School, Bellary, 4 were originally sanctioned in 1936 on a fixed rate of pay (in accordance with the practice then obtaining) i.e. long before the issue of G.O. at (L). When the remaining 2 posts were sanctioned in 1937 the Home Department themselves . -

considered it sufficient to sanction only a fixed rate of pay of Rs 16 p.m. and that was accepted by Finance. It is submitted that it is not within the province of this department to suggest a time scale as against a fixed rate recommended by an administrative department especially having regard to the position at 'A' above.

See 1/para 2 of Home note on pages 4-5 ante (S).

This department may now agree to the grant of a time scale of pay recommended by Home for all the 6 temporary posts.
